WELCOME!

Hello, and welcome to beFITbeFAB. My name is Stephanie please call me Steph, I am the founder of beFITbeFAB and certified lead coach in health, wellness, fitness and running by ACE, FIA, SCW & IDEA.

Let me tell you I am so glad you are here today and thank you so much for taking the 4 day jumpstart to your health fitness and wellness journey, I hope you will enjoy & learn from it.

I created beFITbeFAB with the sole intention of guiding you to living a healthier life. My method is based on a holistic approach to well being. I incorporate mind, body, nutrition to all my programs. I want you to know that there are no boundaries to releasing your inner wellbeing. Let me help me guide you on your journey to your FIT FAB self.

It is my passion to teach and inspire others to live healthfully so they can enjoy fuller, happier lives.

If you're trying to lose weight, you're in the right spot. Believe it or not, when we release toxins, weight loss happens easily and naturally.

Toxins are any substances that are harmful to the body, such as chemicals from your personal care and cleaning products and pollution. Our bodies are inundated with toxins daily which leads to weight gain, allergies, intolerances, rashes, mood changes, poor sleep, low sex drive, bags under the eyes, headaches, lower back pain, PMS, IBS, sensitivities, bloating, digestive upset, or an overall feeling of sickness.

In this 4-Day cleanse, my goal is to help you purge your body of toxins. You'll do so by filling your diet with nutritious foods. As a result, you'll feel more alive and energetic than you've ever felt and melt away those stubborn pounds.

This 4-day cleanse will be like hitting the reset button on your health.

Ready to dive in? I am.

Laugh Everyday, Sweat Everyday!

 1. Share your "Aha! Moments." Has something dawned on you that you want to share? Did you learn something from one of the videos or calls? Share it with others! They will benefit from hearing from you.
- Share your selfie – I encourage you to take one before you start the challenge and one after.
- Ask questions often. Use this group to engage with other participants.

- ❑ Visit the group at least once per day during your cleanse.
- ❑ Engage with each other and answer each other's questions – you'll all be going through the same thing, so share and collaborate!

SUCCESS TIPS

To get the most out of this program, I recommend integrating the following pieces of advice:

1. Before starting, read the guide and look at your meals for the next 4 days.
2. Repeat this mantra daily: "I am worth weight loss. I love and accept myself fully."
3. Grab a journal and throughout the program, write down your meals and reflect on how you feel after you eat.
4. During the program, add a clean protein to any meal – vegetarian or non-vegetarian.
5. If hungry, enjoy a snack such as fresh fruit, a smoothie, kale chips, 1/2 avocado with sea salt, trail mix, a handful of seeds or nuts, or raw vegetables with hummus.

These statements have not been evaluated by the Food and Drug Administration.
This is not intended to diagnose, treat, cure, or prevent any disease.

- 1 tablespoon extra virgin olive oil
- 1 teaspoon cumin seeds
- 1 small onion, minced
- 1 large celery rib, minced
- 4 large garlic cloves, minced
- 1-inch piece of ginger, shredded
- 1 large carrot, chopped

- 1 cup brown lentils
- 3 cups broth of your choice (or water)

Create your soup base. In a large pot, add extra virgin olive oil. When the oil is hot, add cumin seeds and cook until fragrant (about 1 minute). Then add your minced onion, celery, garlic, ginger, carrot, and bay leaf. Sauté until soft (about 2 to 3 minutes).

Assemble the soup. Add brown lentils and broth (or water) along with sea salt and pepper. Cover and cook on medium-low heat for 30 to 45 minutes, stirring every

15 minutes. The soup is done when the lentils are tender but still holding their shape.

1 tablespoon coconut oil

1/2 cup chopped red bell pepper

1 cup baby spinach

pinch of oregano

sea salt to taste

black pepper to taste

2 eggs, beaten

beFITbeFAB

pepper. Next, add the beaten eggs to the vegetables. Tilt the pan so the eggs spread out evenly. Use a rubber scraper or spatula to turn the eggs over so that they don't harden and burn. Scramble the eggs for 2 to 3 minutes to your desired consistency.

SNACK

3 1/3 cups water

1/2 teaspoon sea salt

1/2 teaspoon black pepper

1/2 lemon, juiced

Sauté the vegetables. Add extra virgin olive oil to a large sauce pan over medium heat. When the pan is hot, add carrot, ginger, onion and garlic. Sauté for about 2 to 3 minutes.

Add the quinoa. After sautéing the vegetables, add quinoa, water, sea salt, and black pepper. Stir and allow the quinoa to steam -- with the cover on -- for about 20 minutes on low heat. The quinoa is done when the water is absorbed.

Turn off the flame and fluff the quinoa with a fork. Add lemon juice. Cover and allow the quinoa to absorb the lemon juice.

1 large lemon, juiced

¼ cup red wine vinegar

¼ cup extra virgin olive oil

½ teaspoon Dijon mustard

beFITbeFAB

Prepare the dressing. Preparing the dressing first allows the flavors to intermingle before using it on your salad. Add all the ingredients to a jar with a lid. Shake vigorously. Taste and adjust seasonings to your preference. Allow the dressing to sit for at least 15 minutes before dressing your salad.

Toss the salad. Add your mesclun lettuce, parsley, shredded carrot, apple, beets, and mint leaves to a large salad bowl. Add enough dressing to coat the salad, but not drown it. Mix thoroughly. Top with chopped avocado and kalamata olives (optional). Enjoy!

BREAKFAST

WARM CHIA BREAKFAST PUDDING

Serves 1-2

1 cup dairy-free milk of your choice (coconut, almond or hemp)

The next morning. The next morning, transfer the chia pudding from the container to a pot on the stove. Warm it for 2 to 3 minutes and serve it in a bowl.

Add your choice of cinnamon, ginger, or vanilla.

beFITbeFAB

Serving suggestion. Add a sweetener of your choice. Top with dried apricots, pomegranate seeds, sliced apple or pear, etc.

SNACK

Eat 1 apple with 10 raw almonds.

LUNCH

SIMPLE HERB SALAD

Makes 2 servings

1 head broccoli, chopped into bite-sized pieces

½ head cauliflower, chopped into bite-sized pieces

1 large carrot, shredded

1 pear, chopped

¼ cup minced red onion

½ bunch cilantro, minced

½ bunch dill, minced

½ bunch mint leaves, minced

Suggested salad toppings: diced avocado, dried cranberry, and sprouts of your choice.

DRESSING

2 lemons, juiced

¼ cup Bragg's raw apple cider vinegar (omit if you have acid reflux)

beFITbeFAB

¼ cup extra virgin olive oil

¼ teaspoon sea salt

¼ teaspoon black pepper

Prepare the dressing. Preparing the dressing first allows the flavors to intermingle before using it on your salad. Add the lemon juice, Bragg's raw apple cider vinegar, olive oil, sea salt, and black pepper to a container with a lid. Shake vigorously until well blended. Taste and adjust seasonings to your preference. Allow the dressing to sit for at least 15 minutes before dressing your salad.

Toss the salad. It is important to chop your broccoli and cauliflower into small pieces for easier digestion. Try pulsing them in a food processor, or use a sharp knife to chop them into bite-sized pieces. Add the broccoli and cauliflower to a large salad bowl along with the shredded carrot, chopped pear, red onion, cilantro, dill, and mint. Add enough dressing to coat the salad, but not drown it. Mix thoroughly. Add any of the suggested toppings if desired. Enjoy!

SNACK

Eat 1 pear and 10 raw walnuts.

DINNER
